

GAIA Capital Management, LLC Currency Trading Program

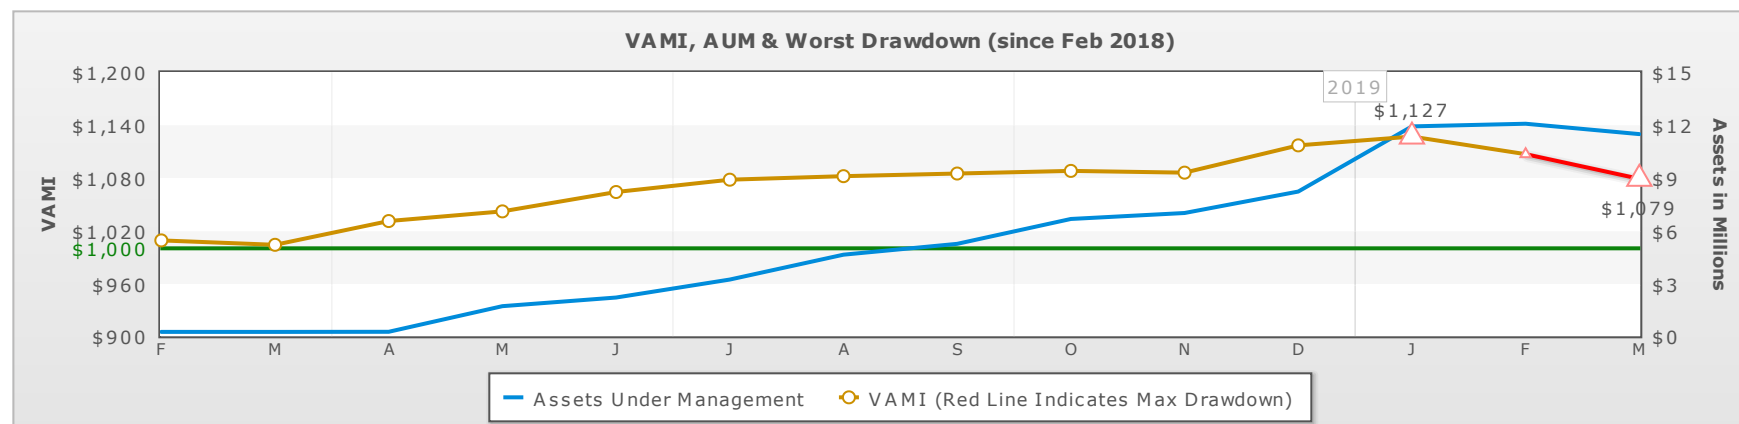

Report Start Date: Feb-2018 - Report End Date: Mar-2019

Trading Strategy: Systematic / S-Term / Currencies, Gold & Silver

Program Description: GAIA Capital Management, LLC's Currency Trading Program is a systematic multi-strategy investment model that seeks to deliver strong risk adjusted alpha returns with low correlation to other investments. The program is built around multi price tracking signal generators which look for short term price anomalies and generate buy or sell signals to benefit from these discrepancies. Risk management and profit objects are integral to each trading signal upon initiation. The Currency Trading Program trades currency futures contracts, gold futures & silver futures.
